COLUMBIANA COUNTY**

JUDGE MELISSA BYERS-EMMERLING

GENERAL CONDITIONS FOR LIMITED DRIVING PRIVILEGES

- A. You have been granted authority to operate a vehicle as the result of either a suspension imposed by this Court or the Bureau of Motor Vehicles. These are the rules:

THERE ARE NO PRIVILEGES FOR COMMERCIAL VEHICLES

1. Your privileges will continue unless revoked by the Court or you violate the Court's terms and cause your privileges to be void.
2. During the term of your privileges, you may not have any other pending suspensions, either from another Court or the Ohio Bureau of Motor Vehicles. **It is your responsibility to insure that you are free of other suspensions including a commercial driver's license suspension.** Your Ohio license must otherwise be valid and non-expired.
3. You must carry the "privileges" form with you at all times you are operating a vehicle.
4. If you use an employer's vehicle during the limited driving privilege's working hours and you are not the owner of the vehicle the employer must acknowledge to this Court in writing that the employer is aware of your suspension and permit you to operate their vehicle.
5. You must maintain "proof of insurance" any time you operate a motor vehicle and carry it when operating a Motor Vehicle.
6. At the end of your suspension, you may not continue to drive unless you comply with BMV requirements including payment of reinstatement fees. All Limited Driving Privileges are void. You would need to reapply for limited privileges under a reinstatement fee plan.
7. If you are requested to take blood, breath or urine test by a law enforcement officer or probation/parole officer and you refuse, these privileges are void. If you test positive for alcohol during any vehicle use, then your privileges will be void.
8. You must obey all traffic laws and rules.
9. You may not transport a firearm in the passenger compartment of your vehicle. If you have been convicted of a felony, you may not possess a firearm.
10. OVI above .17 and OVI-2ND offense or more within six (6) years must have restricted (yellow) plates and the ignition interlock at the defendant's cost. There will be an additional \$5.00 court cost that will be assessed in addition to the above \$30.00 filing fee.

- B. In order to insure that you understand the terms of your privileges, the following explanations apply:

TO, FROM AND DURING WORK: You may commute to work and return home from work. Your route to work or your work site must be direct. If required by your employer to travel between work sites you may do so, either in your vehicle or your employer's. You may not transport any alcohol products, illegal drugs or drug instruments. To understand and define your exact route to and from your work, a straight line from one authorized point to another will be drawn on an Ohio map. The most direct route must closely follow such a line.

TO AND FROM TREATMENT PROGRAMS OR TO AND FROM THE COURT OR OTHER COURT AUTHORIZED PROBATION

REQUIREMENTS: *After filing for and being granted such privilege:* You may drive "directly" to and from all Court authorized treatment programs, which you have logged in your probation file and are agreed upon by you, your probation officer and this Court with a written appointment card with the exact day and hour of your appointment. Such might include SCRAM, Ignition Interlock, AA, NA, 12 Step, Driver Intervention Programs, Remedial Driving School, Employee Assistance Programs, psychological or psychiatric treatment or other counseling locations authorized by the Court.

If you have any question about your driving privileges, about any reason to drive or intended destination, it is important that you ask your probation officer or the deputy clerks any and all questions, **before** making a mistake in interpretation.

I HAVE READ ALL OF THE ABOVE RULES FOR USING AND FOLLOWING MY DRIVING PRIVILEGES OR THEY HAVE BEEN EXPLAINED TO ME TO MY SATISFACTION.
